INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to 37 C.F.R. §1.97, as revised on February 4, 1992,  
1135 OG 23-24, Applicants hereby call the Examiner's attention to  
documents listed on the attached form, which documents may be  
material to the examination of this application.

No inference should be drawn that any apparatus disclosed is  
equivalent to the subject invention. Also, the citation of the  
above-discussed documents is not to be construed as an assertion  
that more pertinent art could not possibly be in existence.  
Citation of any document herein is not to be construed as an  
admission that any subject matter disclosed in the document is  
necessarily within the inventive field of endeavor, that any

disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicants also respectfully reserve the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the present patent application.

This Information Disclosure Statement is being filed within three months from the filing date. Accordingly, it is believed that no fee under 37 CFR 1.97(c) is required. If it is determined that a fee is required for this Information Disclosure Statement, please charge our Deposit Account No. 50/1039.

Respectfully submitted,

Gary W. McFarron  
Attorney of Record  
Registration No.: 27,357
